

## **Meadow House Holiday Park**

### Description:

Meadow House Holiday Park is set in around 16-acres of finely-landscaped grounds featuring many palm trees and shrubs with native hedgerows encouraging the local fauna and flora to flourish. We think we may have mentioned the spectacular sea views (weâ€™re rather proud of those!)â€¦ well, just as beautiful in a different way are the landscapes in the other direction across the glorious Pembrokeshire countryside!Facilities
